

INTRODUCING RING CHIME

Ring Chime works with your Ring Video Doorbell by letting you know when you have a visitor, even when your tablet or smartphone isn't nearby.

Plug & Play

Plug Chime into a wall outlet, connect to your Wi-Fi network and link to your Ring Doorbell.

Do Not Disturb

Disable Chime for the times when you want peace and quiet.

Volume Control

Set a custom volume in the Ring app so Chime is never too loud or too quiet.
